The Horseman Famine has ravaged the Lands of the Kingdom leaving no bird, beast, nor plant alive to be harvested for a grand feast to serve the populace. In her wake, Famine has left only the meager makings for stone soup and old bread. Each Barony has graciously agreed to send envoys to The Ox supplying the populace with sustenance of meats. Any gentle who can afford to is welcome to bring additional meat for the fire or additional makings for the soup. Grills and fire pits will be available for use.
